

# Disabuse – achievements

“Disabuse is one of the most well known crossover/thrash bands from The Netherlands. They already started out in 1987 and to me their 'Sorrow and perdition' release is one of the best Dutch metal albums ever made.” (Rob Slaughter, *Headbangers Zine*, January 2011, p. 147)

- First crossover band of the Netherlands
- Unique, aggressive mixture of metal and hardcore
- After a break in 2012, re-erected in 2013 in the original line-up
- New songs and a new CD in the making
- 28 years of experience on stage: erected in Winterswijk at the Chi Chi Club in 1987
- Performances with many top acts, such as Kreator, Biohazard, Death Angel, Suicidal Tendencies, Obituary, Sick Of It All and Anthrax
- Tours with various international bands, including The Accüsed and Earth Crisis
- Many gigs at important Dutch venues – from Atak in Enschede to Melkweg in Amsterdam, from 013 in Tilburg to Bolwerk in Sneek – as well as abroad (Germany and Belgium)
- Gigs at several meaningful festivals, like Zwarte Cross, Elsrock and Metal Attak
- Album of the Month at the well-known Dutch radio show Vara’s Vuurwerk of Henk Westbroek and substantial airplay at VPRO radio and Kink FM radio
- Videoclips on Dutch television at TMF’s Wet & Wild
- Debut album ‘Sorrow & Perdition’ as a highly desired international collector’s item
- Winner of several prizes, including Gesel van Gelderland (Best Performance Prize), Orkaan van het Oosten en Winnaar Geldersch Metal Treffen
- Three full-length CD’s, one of which was released by top-label I Scream Records that also appeared in the Lowlands Top-25, with reviews varying from 79 to even 100 points
- One live-CD and one mini-documentary about the band at VPRO Dorst television
- Acknowledged as a high-quality band by the national and international music press, from Aardschok to RockHard
